THE ORANGE COUNTY REGISTER

The National League of Young Men, Inc. in the Newport Mesa and Greater Orange Chapters volunteered 10,101 service hours during the 2011-12 school year. The non-profit organization for mothers and their high school age sons was begun in 2006 to expose young men to leadership and community service opportunities, while strengthening the mother-son bond. The group now has four chapters. For information about the Villa Park-Orange-Anaheim Hills chapter, visit nlymgreaterorange.org.
